**we have an Adult Agreement =
We agree - We are all adults - We
are here for the same reasons -
We act like adults - Adults do and
don't do certain things - Adults
don't shoot each other - Adults
own up and bring mistakes to the
table - Adults don't hide problems
- Adults admit fault - Adults don't
argue with reality - Adults make
hard decisions - Adults don't shy
away and they don't crush one
another for acting like adults**
